Stewardship Seconds for Epiphany and Lent

Could sharing our gifts with those who need them be part of God's hope for the world?

Pikangikum

You can help! Jim and Marjorie Dawson are heading up to Pikangikum on the ice road to help provide a basketball camp. The school principal has identified a number of children in primary school who do not have winter boots. We are looking for children's new or gently used winter boots to take up with us. As well the school would like to be able to start a skating program for the primary school and the kids have no skates. Could you donate some children's new or nearly new skates? If you don't have access to skates or boots but are able to help with a bit of cash that would be wonderful as well. There will be a box by the front door of the church to collect boots and skates and cash can go in an envelope on the collection plate with a note that it is for "Pik" or give it directly to Jim or Marjorie. Jim and Marjorie are leaving February 22. Thanks so much for your generosity.

Patches from Heaven Program

In 2017, one of the local churches contacted Church Out Serving regarding homeless individuals in need of our help. Patches from Heaven was able to source out blankets. Currently, Norfolk does not have a Men's Shelter for homeless individuals and homelessness is a growing problem within the region. If you or any member of your Congregation becomes aware of any individuals who may be in need of a blanket to help protect them from the winter elements, please contact me and a blanket will be provided. The program can be reached by email or urgently by calling 519-583-0915. Patches from Heaven is always in need of knitters to join the program to assist us in reaching out to the less fortunate. The more knitters, the more people we can reach out to in the community!
