

WANTED SKATES AND WINTER BOOTS

Pikangikum First Nation

Rotary club of Norfolk Sunrise is working with Pikangikum (a fly in community) to provide skates and boots to children who have none. The school has asked for new or nearly new skates and winter boots for the junior school- sizes 1-5.

Please drop them at Grace United Church or call Jim Dawson at 519 583 3328 for pick -up; we are heading to Pikangikum mid-February so we'd appreciate donations up to Feb 15.
