ANNOUNCEMENTS

Stewardship Seconds

September 6, 14th Sunday after Pentecost

Jealousy and grumbling over what we don't have, and what we think we need, can never satisfy us. But as we share what we have with others, God will continue to give us what we need.

September 13: Fifteenth Sunday after Pentecost

As stewards, what we give is not as important as that we give.

CREATION TIME

We are in the season of Pentecost. For the 5 Sundays from September 13 to October 11 we will be celebrating Creation Time. Our hymns and prayers will include those specifically written to draw our attention to our natural world. KAIROS has declared September to be Climate Action month and say: "It is a time to renew our relationship with our Creator and all creation through repenting, repairing, and rejoicing together. The theme of this year's Season of Creation is Jubilee for the Earth, a time of restoration and hope that requires radically new ways of living with creation." It is hoped that everyone will find at least one way to contribute to the healing of our planet.

In Loving Memory

On Sept. 6, the Memorial Candle is lit in memory of

Joan Stetson

A loving Mother, Grandmother, Great Grandmother and friend who shared her unconditional love to all she came in contact with.

Lit by Lori, Vaughan, Terri, Phil and families.

We are saddened to announce the passing of Marjorie Schneider at Dover Cliffs on September 2, 2020. Thompson-Waters is handling arrangements.
